Nestled in the heart of Saskatoon, Goblin's Grill at 270 Acadia Dr #6 feels like a local secret that food lovers whisper about. When you first step in, you're hit by the comforting aroma of sizzling burgers, the kind that promise a hearty, made-from-scratch experience. The **Goblin's Grill Menu** is where creativity meets comfort food, blending bold flavors with a dash of fun personality that makes every visit memorable. What immediately stands out on the Goblin's Grill Menu is the lineup of **The Regulars** - classic favorites crafted by the team behind the grill. The **Aussie Burger by Carlo** is a carnivore's dream, stacked high with a juicy beef patty, bacon, a fried egg, and that signature Goblin touch - sauces that hit the perfect balance of smoky and sweet. Then there's **The Goblinator**, another Carlo masterpiece, a monster burger

loaded with melty cheese, crispy onions, and house sauce that leaves you licking your fingers clean. For sauce lovers, **The Sauce Boss by Gabe** is exactly what it sounds like - a juicy burger dripping with layers of custom sauce magic that elevate each bite. And if you're in the mood for something playful, **The Higgly Dog by Braden** and **The Breakfast Dog by Jessie** are must-tries, especially for brunch fans who love the mix of savory sausage, runny yolk, and crispy toppings.

Moving deeper into the **Goblin's Craft Burgers**, you'll discover why locals rave about this place. The **War Pig** is an explosion of smoky barbecue and rich pulled pork flavors, while the **Goblin Patty Melt** takes a nostalgic diner favorite and turns it into pure indulgence with butter-grilled bread and caramelized onions. The **JimmyBeet Down** is a clever twist for those craving something earthy and hearty, featuring roasted beets and a surprisingly satisfying texture that even meat lovers appreciate. The **Short Fuse**, with its spicy kick and melted cheese pull, is perfect for anyone who likes their burger with a bit of attitude. Each of these craft burgers feels like an adventure - creative, comforting, and made with heart.

But no great burger experience is complete without sides, and Goblin's Grill knows how to do it right. Under **Sides, Snacks & Shareables**, you'll find the crispy **Chicken Strips** and oozy **Grilled Cheese Sticks**, both crowd-pleasers. The **Chipotle Cheddar Potato Bites** are small but mighty, with a smoky heat that pairs perfectly with an ice-cold drink. Then there's the **1lb Fried Onion Straws**, a crunchy mountain of fried goodness that's perfect for sharing, though you'll probably want them all to yourself. Don't miss **Goblin's Egg** - a creative, savory treat that surprises first-timers with its bold flavor and satisfying crunch.

If you're in the mood for something handheld but not a burger, the **Sandwiches & Hot Dogs** section delivers big. The **Bologna Stack** turns a humble classic into a showstopper, layered with thick slices and house sauces that bring it to life. The **Bat Out Of Hell** is smoky and spicy in all the right ways, while **AbcJohnny Randell** and **Hattie B** add southern flair with crispy fried chicken and tangy slaw. These sandwiches are bold, flavorful, and full of character - just like the rest of the menu.

Round things off with a look at **Sides, Snacks & Drinks**, where options like **Fried Onion Straw Bale**, **Crispy Cheddar Potato Bites**, and a comforting **Bowl of Chili** make perfect companions to any main. Again, **Goblin's Egg** makes a reappearance - and it's easy to see why. It's one of those dishes that keep people coming back for "just one more."

Overall, the **Goblin's Grill Menu** is a love letter to comfort food done right. Every dish feels handcrafted with care, personality, and plenty of flavor. Whether you're dropping by for a quick burger fix, sharing plates with friends, or exploring something new, Goblin's Grill captures what makes casual dining so special - delicious food, friendly vibes, and the kind of local energy that keeps Saskatoon foodies talking.
