For salad lovers, the *Garden Salad* is a fresh, crisp choice that serves as a light and refreshing start to any meal. If you're in the mood for something with a bit more indulgence, the *Fried Chicken Tender Salad* will be your go-to, combining the crunchiness of golden-battered tenders with a variety of fresh greens, creating a perfect balance of textures.

For sandwich enthusiasts, Chicken Exit does not disappoint. Their *Philly Cheesesteak* brings a taste of the classic with tender, savory beef, melted cheese, and a soft roll that holds it all together. The *Burger* is a must-try for those craving a hearty bite—juicy and cooked to perfection, this burger pairs wonderfully with their crispy fries. If you're leaning towards chicken, the *Chicken Sandwich* is a standout, featuring a crispy, seasoned chicken fillet tucked between a soft bun, served with fresh toppings for the ultimate satisfaction.

For the larger appetites or group meals, the menu offers a variety of wing and tender combos. Choose from options like the *30 Pc Wings or 25 Pc Tenders + 5 Pc Fish* or the *40 Pc Wings or 30 Pc Tenders + 7*

*Pc Fish*—perfect for sharing or tackling solo if you're feeling adventurous. These hearty platters are ideal for those who want to feast on a combination of flavors, whether you're craving the smokiness of wings or the tenderness of fish and chicken tenders.
