Bella Sara offers a menu that perfectly captures the essence of Italian comfort food, blending traditional flavors with a few delightful surprises. As you explore their offerings, you'll discover a variety of appetizers that make for the ideal start to any meal. The **Garlic Bread with Cheese** is a fan favorite, with a crispy, golden exterior and a rich, melty cheese topping. If you're a fan of savory and crispy, the **Fried Cheese** and **Fried Mushrooms** are simple yet indulgent choices.

For something a bit more substantial, Bella Sara's pasta pairs are a perfect combination of fresh ingredients. Their **Pasta and Salad** or **Pasta and Soup** are great for those looking to enjoy a lighter option while still satisfying their cravings. Speaking of soups, their **Tortellini Soup** is a warm, hearty choice, packed with soft pasta and rich broth, while the **Chicken Soup** and **Minestrone Soup** provide comforting, classic flavors.

Salads here aren't just a side dish; they're a celebration of vibrant, crisp ingredients. The **Caesar Salad** brings a creamy, tangy twist to the table, while **Ginno's Salad** and **Antipasta Salad** offer more complex, flavorful combinations.

For the main course, you can dive into one of their beautifully prepared **Entrees**. The **Chicken Fettuccine Alfredo** is rich and creamy, with tender chicken that pairs perfectly with the velvety sauce. If you're in the mood for something a bit more refined, the **Chicken Marsala** or **Chicken Aristocrat** is a must-try, offering depth and sophistication in every bite. Bella Sara also excels with their **Seafood Entrees** – the **Shrimp**

**Alfredo** and **Lobster Ravioli** are packed with flavor and have just the right balance of indulgence.

The **Pizza** options at Bella Sara are another highlight, ranging from the classic **Cheese Pizza** to more inventive choices like the **Alfredo Pizza** and **Florentine Pizza**. For those who enjoy hand-held convenience, the **Stromboli Pizza Pocket** or **Calzone Pizza Pocket** are both satisfying and packed with flavor.

Don't forget to end your meal on a sweet note with **Tiramisu**, **Cannoli**, or their creamy **Cheesecake**, and wash it all down with a refreshing **Tea** or rich **Coffee**. Each item on the menu is designed to transport you to Italy with every bite, making Bella Sara a true culinary destination.
