At Mr. Noodles, the menu is a delightful mix of comforting classics and exciting new flavors. Every dish is crafted to offer a memorable experience, whether you're craving something light to start or a hearty meal to satisfy your hunger.

Begin your meal with a selection of appetizers that set the tone for the feast ahead. The **Spring Rolls** and **Vegetarian Spring Rolls** are light and crispy, packed with fresh vegetables and served with a tangy dipping sauce. For those who prefer something a little heartier, the **Egg Rolls** and **Fried Tofu** provide a savory bite, while the **Popcorn Chicken** is crispy on the outside and tender on the inside – an irresistible start to your meal.

Next, dive into the soul-warming bowls of **Classic Pho**. Choose from a variety of options like the tender **Eye of Round Steak Pho**, the well-seasoned **Well-Done Flank Pho**, or the flavorful **Meatball Pho**. There's also the choice of **Chicken or Veggie Pho** for a lighter touch, or the house favorite **Mr. Noodle Combo Pho** which combines a variety of proteins for a taste explosion. For seafood lovers, the **Seafood Pho** offers a medley of fresh flavors from the ocean.

For noodle enthusiasts, Mr. Noodles offers a range of **Udon** dishes, including the hearty **Chicken or Pork Udon**, the satisfying **Shrimp Udon**, or the lighter **Vegetable Udon**. The **Seafood Udon** is a standout with its generous seafood selection.

When you're in the mood for something savory, try the **Vermicelli Noodles** or **Chow Mein**, with choices like **Pork**, **Shrimp**, **Vegetable**, **Beef**, or **Chicken**. Each is stir-fried to perfection, delivering that perfect balance of crispy, savory goodness. If rice is more your style, the **Specialty Rice Plates** like **Lemon**

**Grass Chicken** or **Stir-Fried Shrimp with Vegetables** will certainly hit the spot.

Don't forget to cool down with a refreshing **Boba Smoothie**, available in flavors like **Avocado**, **Passion Fruit**, and **Green Tea**, perfect for pairing with any dish. Whether you're sipping on **Ice Tea** or a soda like **Pepsi**, each beverage complements the vibrant flavors of the menu.

Every bite at Mr. Noodles feels like an adventure, with flavors that are both familiar and exciting. What will you try first?
