--	-----------

Nestled in the heart of Windsor at **1750 Wyandotte St W**, **Pho Xic Lo** is more than just a Vietnamese restaurant-it's a cozy culinary haven that beautifully blends the comforting flavors of Vietnam with touches of Thai and pan-Asian flair. The **Pho Xic Lo Menu** is a journey through rich broths, vibrant herbs, and mouthwatering stir-fries that awaken every sense. Each dish tells a story-one of balance, warmth, and authenticity that reflects the heart of Southeast Asian cooking.

Walking into Pho Xic Lo, you're immediately welcomed by the aroma of simmering broth and sizzling garlic. The menu is extensive yet approachable, inviting diners of all tastes. If you're a fan of Thai cuisine, their **Pad Thai selections** are an absolute highlight. From the classic **Pad Thai with Chicken**-a perfect harmony of tender meat, chewy rice noodles, and tangy tamarind sauce-to the **Pad Thai with Shrimp**, bursting with ocean freshness, every bite feels both familiar and exciting. For those craving something richer, the **Pad Thai with Salmon** offers a delightful twist, where the buttery salmon soaks up the sauce's sweet and savory notes. Vegetarians will appreciate the **Pad Thai with Tofu**, which proves that meat-free dishes can be just as satisfying. And if you simply can't choose, the **Pad Thai Mixed**-a hearty combination of chicken, shrimp, and tofu-is the ultimate crowd-pleaser.

The **Appetizers** at Pho Xic Lo set the stage perfectly for what's to come. The **Spring Rolls** are golden and crispy, with just the right balance of crunch and filling. The **Winter Rolls (Cho Tôm)**-shrimp paste wrapped around sugarcane-offer a bite that's sweet, savory, and unmistakably Vietnamese. For something fresh and light, the **Autumn Rolls**, packed with vegetables and herbs, deliver a burst of natural

flavor with every bite. And of course, few can resist the **Chicken Wings**, fried to perfection, or the refreshing **Mixed Thai Salad**, a tangy, spicy mix that excites the palate.

But no visit to Pho Xic Lo would be complete without exploring their **Rice Noodle Soups**. Their **H Tiu Hi S n (Seafood Rice Noodle Soup)** is a steaming bowl of comfort, filled with shrimp, squid, and fish cake floating in a fragrant, clear broth. The **Special Seafood & Roasted Pork Noodle Soup** adds an extra layer of richness, combining the sweetness of seafood with the smoky depth of roasted pork-a perfect dish for those who crave complexity in every spoonful.

To complement the meal, the **Pho Xic Lo Menu** also shines with its **signature beverages and milkshakes**. The **Avocado Milkshake** is velvety smooth, while the **Jackfruit** and **Lychee Milkshakes** offer tropical sweetness that pairs beautifully with the savory main dishes. The **Coconut Milkshake** is a customer favorite-creamy, cooling, and fragrant. For something more traditional, the **Three Colour Drink (Chè Ba Màu)**-a delightful Vietnamese dessert drink of beans, jelly, and coconut milk-brings both color and nostalgia to the table. If you prefer something lighter, try the **Fresh Lemon Juice**, **Lychee with Ice**, or **Fresh Coconut Juice**, each as refreshing as the next.

Every item on the **Pho Xic Lo Menu** feels crafted with care-balancing flavors, textures, and presentation in a way that's both authentic and approachable. Whether you're dropping in for a quick lunch or a leisurely dinner, this cozy spot captures the essence of Vietnamese hospitality. Pho Xic Lo doesn't just serve food-it offers a full sensory experience, where every bite feels like home and every sip takes you closer to the heart of Saigon.
