If you ever find yourself craving a juicy, perfectly built burger in Kitchener, the **South St. Burger Menu** at 205 The Boardwalk is worth every bite and sip. Walking into the restaurant, the first thing that hits you is the scent of freshly grilled beef and crispy fries-a promise that something good is coming. This place is all about customization and quality, but it's also the kind of spot where you can kick back and enjoy comfort food done right.

Let's start with the **Stack & Style Combos**, which are the heart of the South St. Burger experience. Each combo pairs a made-to-order burger or hot dog with golden fries and a drink, striking that perfect balance between hearty and satisfying. The **Bacon Cheeseburger Combo** is a standout-it's everything you'd want in a burger: smoky bacon, melted cheese, a thick beef patty grilled to perfection, and a soft bun that holds it all together without falling apart. If you prefer something classic, the **Hamburger Combo** is simple but flavorful, letting the natural taste of the beef shine. There's also a **Beef Hot Dog Combo** for those who love that nostalgic hot-off-the-grill taste, and a **Veggie Burger Combo** that proves plant-based can still mean full flavor and satisfaction.

Moving on to the **Chicken Combos**, these are perfect for anyone who craves something crispy and tender. The **Crispy Chicken Tenders (4 PCS) Combo** is one of those comfort dishes that never disappoints-each piece is crunchy on the outside, juicy on the inside, and great for dipping in your favorite sauce. The **Fried Chicken Sandwich Combo** and **Chicken Sandwich Combo** are equally tempting, offering a nice balance of savory chicken, creamy sauce, and fresh toppings. They're the kind of sandwiches you can't help but finish even if you promised yourself you'd save half for later.

Families will love the **Kids Meals** section of the South St. Burger Menu. The **Cheeseburger Kids Meal** and **Hamburger Kids Meal** are smaller in size but big on taste-perfect for little ones with growing appetites. For chicken lovers, the **Crispy Chicken Tenders (2 PCS) Kids Meal** delivers the same crunch and flavor as the adult version, just in a kid-friendly portion. Each meal comes with sides and a drink, making it both fun and filling for young diners.

One of the most exciting parts of the menu is the **Summer of Drips & Sips** collection-a limited-time seasonal offering that adds a twist to the usual burger lineup. The **Queso Crunch Burger** and **Queso Bacon Burger** are loaded with creamy, spicy queso sauce that melts over the patty in the most indulgent way. If you're feeling extra hungry, go for the **Queso Crunch Burger Combo** or **Queso Bacon Burger**

Combo-they bring the heat, the crunch, and that irresistible cheesy goodness all in one meal.

Of course, no burger experience is complete without the right **Drinks** to wash it down. The menu has a range of refreshing options from **Aquafina water** to **Bubly sparkling water (473mL)** and **bottled juices**. But the real treat here is the **Milkshake**-thick, creamy, and available in classic flavors that take you straight back to your favorite diner memories. Whether you're going for chocolate, vanilla, or strawberry, it's the perfect sweet ending to a savory feast.

The **South St. Burger Menu** isn't just about food-it's about the experience of building your perfect meal, enjoying great flavor combinations, and feeling good about what you're eating. Every burger is grilled fresh, every combo thoughtfully paired, and every sip feels like part of a bigger, delicious story. Whether you're visiting solo, grabbing lunch with coworkers, or bringing the family for dinner, this Kitchener gem makes it easy to enjoy quality comfort food with a modern, fresh twist.
