At The Red Lion in Hopwas, Tamworth, the menu is a delightful journey through hearty, comforting dishes with something for everyone. As soon as you glance at the starters, you'll be tempted by the classic Prawn Cocktail, a creamy, zesty offering that sets the tone for a great meal. The Pâté, rich and smooth, is perfect when paired with a slice of freshly baked bread, while the Breaded Mushrooms deliver a crispy bite that's simply irresistible. For those who crave a bit of crunch, the Southern Fried Chicken Strips bring a satisfying kick, and the Mozzarella Sticks are oozing with melted cheese – a crowd-pleaser every time.

The Sunday Roasts at The Red Lion are an institution. You can choose from tender Sirloin of Beef, succulent Roast Gammon, or the juicy Turkey Breast – each roasted to perfection. For the adventurous, the Trio of Meats gives you a taste of everything, while the Vegetarian Nut Roast is a satisfying, hearty option for plant-based diners. It's comfort food at its finest, perfect for a traditional Sunday treat.

When it comes to mains, there's something for every palate. The Beer Battered Cod is crispy on the outside, flaky on the inside, while the Scampi offers that perfect seaside flavor. If you're in the mood for something a bit different, the Haddock & Mozzarella Fishcakes are a creamy, satisfying twist. For a more substantial option, the 8oz Rump Steak will surely fill you up, and if you're feeling a bit indulgent, the Surf 'N' Turf is an absolute winner with its combination of juicy steak and succulent seafood.

To finish off, indulge in desserts like the velvety New York Cheesecake or the indulgent Butterscotch Whiskey Bombe. If you're craving something light yet sweet, the Lemon Meringue Tartlets provide the perfect balance of tart and creamy goodness.
