At El Herradero, the menu is a vibrant celebration of Mexican flavors, offering a delightful variety of traditional dishes that cater to both breakfast lovers and seafood enthusiasts alike. If you're craving a hearty start to your day, their **Breakfast Burrito** is a must-try, packed with savory eggs, bacon, and fresh ingredients wrapped in a warm tortilla. For a more classic choice, indulge in **Huevos Rancheros** or **Huevos A La Mexicana**, where the eggs are perfectly cooked and served with zesty sauces that bring a burst of flavor to every bite. And if you're in the mood for something simple yet satisfying, the **Huevos Con Tocino** or **Huevos Con Jamon** will hit the spot with their delicious combination of eggs and crispy bacon or ham.

For lunch or dinner, **El Herradero** doesn't disappoint with its selection of mouthwatering **Hamburgers**. Whether you're in the mood for a juicy **Hamburger**, a flavorful **Hamburguesa De Pollo**, or something a little different like the **Hamburguesa De Pescado** with fish, there's a burger for every taste. If you love a bit of cheese, the **Hamburguesa Con Queso** offers a melty, cheesy experience.

Seafood lovers will be in heaven with the restaurant's extensive selection of **Mariscos**. The **Camarones Borrachos** and **Camarones A La Diabla** are both bold and flavorful, with the latter delivering a spicy kick. For something a little lighter but equally delicious, try the **Camarones A La Mexicana** or **Camarones Con Tocino**, where the shrimp is perfectly cooked and paired with fresh vegetables and bacon. Don't miss the seafood cocktails, such as the **Campechana** or the adventurous **Campechana Caliente Loca**, which offer a refreshing, tangy twist on the traditional shrimp cocktail.

Whether you're sipping on a chilled **Michelada**, refreshing **Aguas Frescas**, or indulging in a smooth **Margarita**, **El Herradero** offers the perfect drink pairing to complement any dish, making your dining experience even more enjoyable.
