Outpost Grill's menu is a celebration of hearty Canadian comfort food, with a strong focus on breakfast and homestyle dinners. The **Classic Breakfast** stands out with its generous portions of eggs, toast, hash browns, and choice of meat, making it a local favorite. For those seeking a lighter start, options like the **Half Classic** or **Fruit Bowl** offer satisfying alternatives.

Lunch and dinner selections are equally robust. The **Ground Beef Steak** and **Hot Roast Beef Dinner** are staples, featuring tender meats served with rich brown gravy and sides like mashed potatoes and vegetables. Seafood lovers can indulge in the **Fish & Chips**, which offers crispy battered fish paired with golden fries.

Steak enthusiasts will appreciate the **8 oz New York Strip** and **12 oz Ribeye Steak**, both cooked to order and accompanied by a choice of potato, salad, or vegetables. The **Outpost Perogy Special** is a nod to local flavors, combining perogies with farmer sausage and a side of corn. For a hearty appetite, the **Outpost Special** offers a full rack of pork ribs smothered in tangy barbecue sauce, served with soup or salad, potato, and dessert.

Breakfast is served all day, ensuring that favorites like the **Truckers Breakfast**—a combination of eggs, meat, toast, and hash browns—are available whenever the craving strikes. The **Three Egg Omelette**, customizable with fillings like cheese, mushrooms, and ham, provides a versatile option for any meal.

Outpost Grill's menu is a testament to classic diner fare, offering a diverse array of dishes that cater to various tastes while maintaining a focus on quality and generous portions.
