The Old Spaghetti Factory (Langley) Menu is a delightful blend of Italian comfort and modern charm, perfectly suited for anyone craving a hearty, satisfying meal. Nestled at 20077 91A Ave, Langley Twp, BC, this cozy restaurant immediately welcomes you with its nostalgic décor and family-friendly atmosphere. The menu here feels like a celebration of everything people love about Italian cuisine-simple, fresh ingredients, classic recipes, and generous portions that make every visit feel like a special occasion.

Starting with appetizers, the menu offers a variety of options that instantly set the mood for a comforting dining experience. The **Garlic Cheese Toast** is golden, crispy, and bubbling with melted cheese-an absolute must-try for garlic bread lovers. If you're a seafood fan, the **Bam Bam Shrimp** and **Steamed Mussels** are beautifully seasoned and full of flavor, offering a subtle spice and buttery depth. The **Calamari Fritti** is another favorite-perfectly crisp on the outside yet tender inside. For those who can't resist a gooey, cheesy treat, the **Crispy Mozzarella Triangles** are a nostalgic indulgence that pairs wonderfully with their tangy marinara sauce.

Moving into the entrée salads, The Old Spaghetti Factory (Langley) Menu offers refreshing options that can easily stand as a light meal or a vibrant start to your main course. The **Caesar Salad** is traditional yet well-executed, featuring crisp romaine lettuce, creamy dressing, and a sprinkle of Parmesan. For something more unique, the **Cranberry Goat Cheese Spinach Salad** combines sweet, tart cranberries with smooth goat cheese and fresh spinach-a perfect mix of texture and flavor that feels both indulgent and wholesome.

Of course, the real heart of The Old Spaghetti Factory (Langley) Menu lies in its **Spaghetti Classics**. The **Spaghetti with Meatballs** is a timeless favorite-tender meatballs simmered in a rich tomato sauce that tastes homemade and comforting. For a plant-based twist, the **Spaghetti with IMPOSSIBLE Meatballs** offers the same hearty experience with a vegetarian touch. The **Mushroom Alfredo Spaghetti** is creamy, decadent, and loaded with earthy mushrooms, while **The Manager's Favourite** lets guests mix two classic sauces-Mizithra Cheese & Browned Butter, or Meat Sauce & Clam Sauce-for a truly customizable treat. The **Spaghetti with Browned Butter and Mizithra Cheese** is perhaps the crown jewel of the pasta lineup, boasting nutty butter flavors balanced by the sharp, salty notes of Mizithra cheese.

Beyond spaghetti, the **Signature Pastas** bring a sophisticated flair to the menu. The **Pesto Linguine** bursts with the aroma of fresh basil and garlic, while the **Penne with Chicken** is perfectly coated in a creamy sauce that satisfies without being heavy. The **Lasagna - Mama Pulosi's Secret Homemade Recipe** is a guest favorite for good reason, layered with rich meat sauce, cheese, and love in every bite. Seafood lovers will appreciate the **Linguine with Clams**, featuring tender clams tossed in a light white wine sauce. For something truly indulgent, the **Chicken Alfredo with Mushroom and Mascarpone Cheese Ravioli** blends comfort and elegance-each bite creamy, velvety, and irresistible.

From the grill, the menu shifts toward hearty, protein-packed entrées that complement the pasta offerings. The **Chicken Parmigiana** features a crispy, golden-breaded chicken breast smothered in marinara and melted mozzarella. The **Roasted Garlic Grilled Chicken** is juicy and aromatic, while the **Chicken Piccata** delivers a refreshing burst of lemon and capers. For meat lovers, the **Baby Back Ribs** and **New York Steak** are standouts-grilled to perfection, smoky, and tender enough to make any diner smile.

What makes The Old Spaghetti Factory (Langley) Menu so special is its balance between familiarity and surprise. Every dish feels homemade yet elevated, offering comforting flavors that appeal to both families and food enthusiasts. From the first bite of garlic toast to the last spoonful of creamy pasta, dining here feels like being part of a long-standing Italian tradition-one that celebrates good food, good company, and the simple joy of eating well.
