|--------------------------------------|----------------|

---

If you're craving a mix of seafood and hearty burgers, Aunt Nita's Seafood & Burger Hut is the place to be. The menu here is packed with delicious options, all catering to different tastes, whether you're in the mood for something light or a full meal that hits the spot.

Start with the **Fried Chicken Salad** or **Buffalo Chicken Salad** for a crisp, refreshing bite. Both dishes feature perfectly fried chicken pieces, with the Buffalo option adding a spicy kick to keep things interesting. If you prefer something a bit lighter, the **Grilled Chicken Salad** provides a healthier, yet still satisfying choice, with tender grilled chicken paired with fresh veggies.

For seafood lovers, Aunt Nita's menu has you covered with the **Fried Shrimp Salad** and **Grilled Shrimp Salad**. The fried shrimp brings that classic, crunchy texture, while the grilled shrimp offers a smoky, charred flavor that perfectly complements the salad greens. Either option is a great way to enjoy seafood in a fresh, light way.

If you're looking to go a bit more hearty for lunch, the **Fried Pork Chop Lunch Special** is an absolute must-try. The crispy, tender pork chop comes paired with savory sides, creating a well-rounded and filling lunch that leaves you satisfied without being overly heavy.

Overall, Aunt Nita's menu strikes the perfect balance between indulgent and healthy, offering something for everyone. Whether you're in the mood for a salad with a twist or a hearty lunch, this menu delivers comfort food at its finest, all served with a side of warmth and hospitality.
