Pozole Y Tacos Regios offers a delightful array of Mexican dishes that promise to satisfy every craving. Located in Monterrey, this vibrant eatery combines traditional flavors with an inviting atmosphere, making it a favorite for locals and visitors alike. The menu is packed with rich flavors, ranging from hearty combos to refreshing drinks and satisfying snacks.

### Combos

For a complete meal, the Combo Pozole is a standout. A warm, comforting bowl of pozole, a traditional Mexican soup made with hominy and meat (usually pork or chicken), seasoned with aromatic herbs and topped with fresh garnishes, it's a dish that invites you to dive in. Another great choice is the Combo Tlalpeño, a savory, flavorful soup with chicken, vegetables, and a touch of spice. For those who prefer something crunchy, the Combo Flautas offers deep-fried tortillas filled with tender meat, perfect for dipping into their salsas.

### Antojitos

If you're in the mood for some smaller bites, the Chilaquiles Verdes o Rojos are a must-try. Crispy tortilla chips smothered in a green or red salsa, topped with cheese, crema, and your choice of chicken or beef. For a heartier option, the Asado de Puerco is a flavorful pork stew cooked in a rich, spicy sauce. Other delightful antojitos include Quesadillas Mexicanas, Enmoladas de Pollo (chicken wrapped in tortillas with a rich mole sauce), and the classic Enchilada Suiza, filled with chicken and topped with a creamy green sauce.

### Bebidas

To quench your thirst, Pozole Y Tacos Regios offers a variety of beverages. For something refreshing, you can enjoy the Topo Chico Twist Limón or Topo Chico Sangria, both served in generous 600ml and 500ml bottles. For a more classic option, try the Coca-Cola Sin Azúcar (sugar-free) or Coca-Cola Light. If you prefer a more natural option, the Aguas Frescas 100% Naturales come in a 1L bottle, offering a delightful, refreshing taste of real fruit.

### Cortes y Kilos

For those with a larger appetite, the Tampiqueña de Milanesa is a perfect choice. This tender cut of beef, served with a crispy breaded coating, is a true crowd-pleaser. The 1/2 Kilo de Top Sirloin Americano (USDA-grade top sirloin) is another standout, offering a deliciously juicy and tender steak. If you're craving something even more indulgent, the Arrachera Inside Importada (imported flank steak) comes in different sizes, ranging from a 350g portion for one person to a massive 1kg serving for a group.

### Hamburguesas y Platos para Niños

The Dedos de Queso Mozzarella (mozzarella cheese sticks) and Papas a la Francesa (French fries) are perfect for kids or those looking for a lighter snack. The Hamburguesa Sirloin y Papas (sirloin burger with fries) and Nuggets con Papas (chicken nuggets with fries) are also great choices for the younger crowd, offering a familiar and satisfying option with a Mexican twist.

Whether you're in the mood for a comforting soup, hearty tacos, or a tender steak, Pozole Y Tacos Regios' menu has something to cater to every taste, making it a must-visit spot for food lovers in Monterrey.
